

Spring Newsletter

THE BOROUGH OF MORTON,
DELAWARE COUNTY, PA

◆
April 2025

Dear Residents and Friends, we are delighted to welcome you to the latest edition of The Borough of Morton newsletter! We pride ourselves on our rich history, beautiful parks, and a strong sense of community. This newsletter will keep you informed about the latest happenings, events, and important updates within our borough.

As we transition into the Spring and Summer season, Morton is buzzing with activity. Our local parks are perfect for enjoying a game of basketball, baseball, or just about any sport. We encourage residents to take advantage of the upcoming community events which will be highlighted in this issue

We also encourage residents to engage with local businesses that make Morton unique. Morton has over 100 businesses and our local economy thrives when we support our merchants.

In this issue, we want to highlight some of the essential services available to our residents. The Borough Council is continuously working to enhance community amenities and services with ongoing initiatives aimed at improving public safety, waste management, and street maintenance. We urge you to explore our website for the latest updates on these projects and to participate in upcoming council meetings where you can share your thoughts and ideas.

We also want to remind everyone about the importance of community involvement. The strength of Morton lies in our collective efforts to support one another. Whether it's joining a community group, volunteering for local events, or simply reaching out to your neighbors, every act contributes to the fabric of our borough. If you're looking for ways to get involved, be sure to check out the list of volunteer opportunities included in this newsletter.

Thank you for being an essential part of the Borough of Morton. We are excited to continue building a vibrant, inclusive community together. If you have any suggestions or feedback, please don't hesitate to reach out. Please visit the [Morton Website](#) for a calendar of events and announcements. We value your input and look forward to seeing you at our upcoming events!

Warm regards,

*The Borough of
Morton*

Trash and
Recycling

Recycling & Trash

Trash collection information:

Trash is collected once a week on Mondays
October 1st through May 31st

Trash is collected twice a week on Mondays and
Thursdays in the summer - June 1st through
September 30th

Trash must be placed at the curb in
containers/bags not larger than 20 gallons
Place trash curbside after sundown the evening
before scheduled collection.

Remove emptied containers from curbside as
soon as possible

A 4ft. recycling cube is located at the borough
hall in the parking lot next to the maintenance
garage. Newspaper, plastics, glass, aluminum
cans, and cardboard may be placed in the
container.

There presently is NO curbside recycling
program within the borough.

For more information on recycling please visit:

Hometown Heroes Banner Update:

Last year the Borough of Morton rolled
out the Hometown Heroes Banner
program. This program is similar to
other boroughs in the area that aim to
highlight past and current veterans by
hanging banners throughout the
borough.

The program was successful and had
several banners initially hanging in the
borough.

Within the last few months there have
been several setbacks to the program.
The first being that the weather has
not been kind to the banners and has
taken many of them down.

The second was that the estimate of
the cost for the banners was set too
low and the borough lost revenue for
the banners that have been
purchased.

Because of these setbacks the
borough is reviewing the Hometown
Heroes Banner program and has come
up with a phased solution.

The first phase is to install the existing
banners that have come down due to
weather or faulty installation and we
are currently working on placing them
back up ASAP.

The second is to review the entire
program and come up with a fair price
for any new banners that are
purchased so that the borough, the
residents, and the purchaser of the
banners will all be satisfied.

We will keep you updated at the
borough meetings so please attend if
you are able.

Borough Committee Initiatives

Finance & Administration would like to increase business opportunity in Morton through marketing and development of a "Welcome to Morton Brochure". F&A will continue oversight of the department and to bring Morton into the 21st century with the revamping of the department through hiring of professional staffing and updating personnel policies and office policies. F&A will partner with Community & Economic Development and all committees to re-establish the borough newsletter. Increase community educational/public interest and recreational events at the borough hall to address Morton borough concerns and needs

Public Facilities & Infrastructure - Are you looking for a place to host a birthday party, family gathering, or play indoor basketball, just to name a few? Well the Morton Borough gym is the place! We have a great rate for residents and non-residents in renting our gym! Just go on our website at <https://mortonboropa.org> and download the Morton Borough Rental Contract & Form. We also have one for the Girls & Boys Youth Club. Rent the gym to hold practices (restrictions may apply). Just call or stop by the Borough Office for more details or questions, 610-543-4565.
